Dear Mr. Steinberg,

The NDEP has received and reviewed the above-identified Deliverable and finds that the document is acceptable with the following comments noted for the Administrative Record:

1. In future periodic reports please update tables to provide summations or include an additional table showing total values for the 6-month period that are summarized in the text of the report. (e.g., Section 2.4: "During the performance period, an estimated total of 650 (lbs) of chromium were captured and removed from groundwater, as show in Table 6.")
2. Consider providing figures and plates in the semi-annual report to provide context for statements made in the text. Especially if they are being referenced in the text (e.g., Section 3.2.3)
